Virtual Learning Series

We hope that all of you have been staying well and adjusting to a new normal. In lieu of several cancelled continuing education events throughout April and May, Dairy West will be offering a virtual learning series for health professionals from April 16th – May 21st. During this time, you can join us for a weekly webinar to explore nutrition and wellness topics ranging from, A Retail Dietitian’s Insight During COVID-19 to The Food Matrix: More Than the Sum of Nutrients. Each webinar has been approved for 1 CPEU for registered dietitians.

Please click the links below for more details and to register for each webinar separately. We look forward to having you join us!
